

# UDBOP - DVD FUNDRAISER BY ACTION FIGURE MANIA

**Add a little something to your band account by turning your unwanted DVD's into funds. This Fundraiser runs now until the end of band camp in August.**

In this day and age of NETFLIX, HULU, Amazon Prime and multiple other sites for streaming. Do we still want to collect the DVD's that accumulate on our shelves or in boxes and collect dust, or you bought a DVD you just didn't like; you had a yard sale and they didn't sell?

If you have any DVD's in their original case with original artwork and listed below that you no longer want (sorry no slim cases or HD Dvd's); send an e-mail to Rob Hughes at [rob7218hazel@aol.com](mailto:rob7218hazel@aol.com) to set up a time during Marching Band practice when you bring your DVD's in their original case with original artwork to the Band room. Have them inside a plastic bag or box with this paper inside with count of your DVD's, name and Parent signature signifying approval to turn these DVD's into funds in your Marching band account; the amount noted below for the specific DVD's is what will go into your band account (remember the band account can only be used for the Music Program (ie Band Dues, Band Jacket, band accessories (shoes, gloves, section shirts), CMA Trip).

Corresponding funds will be placed in your band account for the following:
