

# UDBOP - TOY FUNDRAISER BY ACTION FIGURE MANIA

**Add a little something to your band account by turning your unwanted toys into funds.**

**How it works:** This fundraiser will run until the end of band camp in August. If you have any of the toys listed below that are no longer played with or you no longer want; send an e-mail to Rob Hughes at [rob7218hazel@aol.com](mailto:rob7218hazel@aol.com) to set up a time during Marching Band practice when you bring your toys to the Band room. Have them inside a plastic bag or box with this paper inside with your noted toys, name and Parent signature signifying approval to turn these toys into funds for your band account; the amount noted below for the specific toys is what will go into your band account (remember the band account can only be used for the Music Program (ie Band Dues, Band Jacket, band accessories, CMA Trip).
